Advanced Assessor Skill Set

Course Overview:

The Advanced Assessor Skill Set (TAESS00010) is designed to provide VET practitioners with the assessor competencies to meet TAE Training and Education Training Package requirements.

This Skill Set is also suitable for VET practitioners looking to extend skills in design, development and validation of assessment.

Key Outcomes:

- Design and develop assessment tools aimed at supporting the collection of quality evidence.
- Identify the components of assessment tools and analyse and interpret these to develop assessment instruments.
- Create suitable instructions and decision-making rules to ensure consistent assessment judgements.
- Lead and influence other assessors within an RTO environment.
- Evaluate and improve assessment processes.
- Coordinate assessment validation activities.
- Develop recognition strategies to support RPL in the workplace.

Career Opportunities:

- RTO Assessor
- Lead Assessor
- Assessment Validator
- Assessment Developer

Modes of Delivery:

- Face to face (in one of our national training and assessment centres or as part of a customised on-site corporate program)
- Correspondence (using text-based resources in a self-paced model and supported by our dedicated MRWED Learner Success Team)
- Online (using the Canvas learning management system and supported by our dedicated MRWED Learner Success Team)
- Recognition of Prior Learning (for experienced trainers and assessors who have evidence to support their current competence in the relevant units of competency which comprise the qualification).
- Blended (using a combination of the modes described).

Course Structure:

There are 4 units in the Advanced Assessor Skill Set.

These are divided into the following 4 core units:

- TAEASS501 Provide advanced assessment practice
- TAEASS502 Design and develop assessment tools
- TAEASS503 Lead assessment validation processes
- TAEASS504 Develop and implement recognition strategies

These units provide credit towards TAE50116 Diploma of Vocational Education and Training or TAE50216 Diploma of Training Design and Development.

Assessment:

The assessment in this skill set involves a variety of workbook activities, practical tasks, presentations, reflective tasks and project work. Participants are supported with regular mentoring and tutorial options throughout their journey.
