

# TAESS00018

## Deliver E-Learning Skill Set

### Course Overview:

This skill set is for teachers and trainers who require the skills and knowledge to deliver e-learning in online and remote learning environments, including in the workplace.

### Key Outcomes:

- Explore a range of e-learning platforms and systems
- Design and develop engaging e-learning resources
- Review, trial and evaluate the e-learning process
- Establish safe and effective e-learning environments
- Demonstrate good practice in e-learning facilitation to ensure an effective learning experience
- Implement techniques to review the effectiveness of the e-learning process.

### Career Opportunities:

- e-learning designer
- e-learning resource developer
- Online trainer/facilitator
- Webinar presenter.

### Modes of Delivery:

- Face to face in one of our national training and assessment centres or as part of a customised on-site corporate program
- Facilitator – led, online learning using zoom that combines some face to face time with the self-paced journey
- Self – paced online course using the Canvas learning management system and supported by our dedicated MRWED Learner Success Team
- Recognition of Prior Learning for experienced trainers and assessors who have evidence to support their current competence
- Blended learning using a combination of the modes described.

### Course Structure:

There are two units in Deliver E-Learning Skill Set:

- TAEDEL501 Facilitate e-learning
- TAEDES503 Design and develop e-learning resources.

These units are part of the Training and Education (TAE) Training Package and may be used to provide credit towards other qualifications such as TAE40116 Certificate IV in Training and Assessment, TAE50116 Diploma of Vocational Education and Training, and TAE50216 Diploma of Training Design and Development.

### Assessment:

The assessment in this skill set may involve a variety of portfolio submissions, practical activities, presentations, reflective tasks, and project work. Participants are supported through their journey by MRWED's dedicated Learner Success Team.
